Situated at the end of a quiet peninsula on the Metedeconk River, this stunning waterfront Colonial is a gem on the bay. Built in 2003 with no detail overlooked, this home with water views from every window is one you will be proud to showcase often.

Step inside, where a two-story foyer creates a dramatic first impression. An open floor plan leads to the formal dining room, ideal for hosting your next dinner party. Gleaming hardwood floors travel underfoot, as luxurious details emphasize the elegant feel of this home. The kitchen is a gourmet chef's dream! Stainless steel appliances are on hand to guarantee each meal is a success, while the oversized center island breakfast bar acts as a hub for everyone to gather. Easily move into the massive great room, where sliding glass doors and large windows offer breathtaking views of the backyard and Metedeconk River beyond. A wet bar is perfect for entertaining, while the adjacent office offers space to work from home.

When it's time to relax, head upstairs to spacious bedrooms. The master suite seems fit for royalty. A private balcony overlooks the river, while the third floor loft and sitting room bring added space to unwind. For the ultimate in self-pampering, head to the spa-like master bath, complete with dual vanities and oversized stall shower.

The beauty continues as you step outside, where a large patio leads to the heated in-ground pool. Enjoy views of boats floating by, or store your own vessel at your private dock.

Awaiting only your furnishings and personal touch, this exquisite home is ready to move in and enjoy.
