When an immaculate interior, lovely setting and prime location top your list, look no further than this Colonial. This fine home is positioned to take full advantage of all this thriving community has to offer. Resting on a nicely landscaped property, curb appeal is only the beginning.

Inside, you are greeted by a comfortable main living area where hardwood floors, recessed lights, crown moldings and versatile decor welcome a wide array of furnishings and artwork. The foyer flows nicely into the formal dining room and living room, which leads to a spacious family room. Both the family room and den feature built-ins, making it easy to keep your belongings organized.

Five bedrooms, including the master suite, are comfortably nestled on the second level. The finished basement includes plenty of recreation space, as well as extra storage. There is even more storage space available in the unfinished attic.

Outside, the spacious backyard offers the ideal venue for dining, entertaining, active play and gardening. Large trees frame the house, creating a beautiful, relaxing environment.
