Beautifully framed by manicured landscaping on a quiet street in the desirable Wyoming neighborhood, this Colonial is positioned to take full advantage of all that both Millburn and Maplewood have to offer.

An inviting porch leads to an easy flowing 1st floor where a sun-drenched living room and elegant dining room await.

The main level also includes a family room or 1st floor bedroom with wood burning fireplace, powder room, large kitchen with top appliances, breakfast area, an abundance of counter space that leads to the patio, level yard and oversized 2-car garage.

Through loving care and thoughtful updates, this home is fresh and modern. As sunlight pours in through large windows, the neutral decor welcomes a wide array of furnishings. Three bedrooms and a full bathroom are nestled on the upper level, offering rest for everyone. The open 3rd level is ready for expansion.
